EVERYONE HAS A CRAFT SIDE

We are Jopen, pioneers of Dutch Craft Beer. Not because we want to, but because we just can't help ourselves.

The world is our playground for new tastes, aromas and experiences. With this universe of ingredients to explore, there's never any excuse for boring beer.

We believe that being open beats boring.

And that there's an exceptional Jopen craft beer out there with your name on it.

Everyone has a craft side.
